- ✔ Routine X-rays as needed
- ✔ Emergency exam *(1 per year)*
- ✔ **20% plan savings** on all in-office procedures; including: cosmetic, crowns, fillings, dentures, night guards, Invisalign, and more

Program Guidelines

This plan is exclusively honored by the office of Smith Dentalworks and is non-refundable and non-transferable.

Full enrollment fee is due prior to any treatment being done, and patient's portion of the bill is due on the day of service.

For orthodontic treatment, the member must remain enrolled in the in-office plan for the entire duration of their treatment for plan savings to apply.

Plan savings do not apply to: products, treatment outside of the treating dentist's realm of capability (at the dentist's sole discretion), referrals to other dental specialists, services covered under workers' compensation or accident policies, services that cannot be performed due to the patient's health or other limitations, or general anesthesia/conscious sedation.

Plan members cannot have other dental insurance coverage, and additional plan savings do not apply. Memberships and treatment fees cannot be paid with CareCredit.
